

Join Us in Supporting Lakewood Athletic Boosters' 19th Annual Night at the Races!

Greetings from the Lakewood Athletic Boosters! We hope this letter finds you in good health and high spirits. As a valued supporter of our mission to enhance the athletic experience for students in the Lakewood City School District, we are reaching out to invite you to join us in our upcoming and biggest fundraising event of the year – the 19th Annual Night at the Races – being held on **Saturday, March 2**.

Lakewood Athletic Boosters, a 501(c)(3) non-profit organization, plays a crucial role in providing financial support to the school district's athletic programs. Over the years, we have proudly contributed to the success of middle school and high school athletic teams by funding uniforms, equipment, hosting senior nights, and offering scholarship opportunities to our talented student-athletes. Recently, we donated funds to establish a strength and conditioning program at Lakewood High School, further emphasizing our commitment to the holistic development of our athletes.

In 2023, thanks to the overwhelming support of businesses, families, and individuals like you, we raised over \$30,000 with nearly 400 people in attendance at our Night at the Races event. This success has fueled our excitement to make the 2024 edition even more impactful, and with your assistance, we are confident it will be another milestone for our organization.
