PRESENTS

The 16th Annual

Lakewood Athletic Boosters

NIGHT AT THE RACES

FEBRUARY 29th, 2020

Community based sports, the only occasion in which teams are truly organic, where athletes play largely with their childhood friends, where lifetime bonds are made between players, coaches, parents..

Photo: Jim Harmon

Welcome to the 16th Annual Lakewood Rangers Athletic Boosters Night at The Races!

There have been many Ranger highlights over the past year. Perhaps none was more spectacular than **Tyler Hannah** blazing his way to a 4th place finish in the 300 High Hurdles at the state meet, following his 8th place state finish in the 110 High Hurdles. Former teammate **Cormac Preppard-Kramer** shined as a distance runner, qualifying for the state meet in track and cross country. **Junior Sistina Simcox** has won multiple SWC swimming championships. Just last month, **Will Holden** scored four goals on senior night to lift the Rangers to a 5-4 victory, and in the process set the all-time school record for goals. We have a lot to celebrate.

Our most meaningful celebrations, though, aren't about school records or championships, much as we love them. It's the magic of community based sports, the only occasion in which teams are truly organic, where athletes play largely with their childhood friends, where lifetime bonds are made between players, coaches, parents and classmates. (Think of the Holden twins, Rob and Will, playing four years together for their home town team).

We all hope the Browns and all our "local" teams will win and bring joy to the city — who will forget he Cavs championship? But this is different. The Lakewood Rangers haven't signed a free agent or made a trade in forever. There are no draft picks to build with. Our mission is not to go out and scout and recruit the best talent, but to nurture the talent and aspirations of those who have chosen Lakewood as their home. Community support for our student athletes is vital, and your presence here tonight is much appreciated.

Thank you so much for supporting our mission.
Long Live Lakewood.
-Dr. G

Special Thanks

The Lakewood Athletic Boosters would like to thank all of those individuals who helped to make this night a success by collecting advertisements, sponsors and donations, baking, volunteering and understanding what it takes to provide a successful program for our Lakewood athletes, their families and our community.

A final thank you to all of you for attending tonight's event. Our student athletes will benefit greatly because of your generosity.

Go Rangers!
