THE 19TH ANNUAL

LAKWOOD ATHLETIC BOOSTERS

Night at the Races

MARCH 2, 2024

WITH SUPPORT FROM

LAKWOOD CITY SCHOOLS
COMMUNITY
RECREATION & EDUCATION
DEPARTMENT

On behalf of the entire Lakewood Athletic Boosters Board and Night at the Races Committee, I extend my deepest gratitude for your overwhelming support and participation in our annual Night at the Races Fundraiser. This event has become an annual tradition and we're looking forward to celebrating our 20th year in 2025! Your donations provide essential resources that directly benefit our athletes and sports programs for the more than 1,242 athletes in grades 7-12.

To the dedicated volunteers, your tireless commitment to make this event and all other Boosters operations run smoothly throughout the year did not go unnoticed. Your hard work and selflessness play a pivotal role in the success of the Boosters, and we are grateful for the 2,253 concession hours our volunteers have dedicated so far this year! A special thank you to the Night at the Races Committee: Alina Sandoval, Beth McAlvey, Brittany O'Connor, Cathy Frantz, Katie Potoczak, Mary Beth Moore and Rachel Burns. This event would not have happened without these women! A special thank you to Angela Hammersmith of Hammersmith Designs for her incredible design work on the ads and program!

Thank you parents, donors & coaches for your continued support of the Lakewood Athletic Boosters. Your involvement at this event has not only contributed to our financial goals but has also strengthened the bonds that make our community so special. We look forward to your continued support and participation at future events!

WELCOME TO

THE 19TH ANNUAL

LAKWOOD ATHLETIC BOOSTERS

Night at the Races

Tonight, we gather to support, and celebrate, the hundreds of student athletes who call Lakewood home. Their endless hours of practice cultivate team work, leadership and a strong work ethic, building traits that translate positively into any occupation they choose. Your attendance tonight sends a very important message—that our student-athletes work is recognized and appreciated—quite simply, that they matter and are supported every step of the way. Thank you so much for your support!!

Congratulations to sophomore diver **Rian Fetting** —who qualified as a diver for the state meet. Last Spring, current senior **Kadence Doxley** qualified in two events for the state meet—the 200 and the Long Jump. There are more great things ahead for Kaydence. Senior **Charlie Payne** qualified for the State Meet in Cross Country and looks to repeat an appearance in Columbus in Track and Field. All of our teams are competing with pride and determination. Thanks to the dedication of our coaches and players, the future of Lakewood Ranger Athletics is very bright.

Thousands of people will watch these and other state qualifiers. But only players and coaches witness those long, hot summer hours when fall teams are practicing. Who is watching when the football team is lifting on Saturday morning, perhaps after a close loss to a rival? No one is watching when our swimmers—at 6:30 am—are slogging through thousands of yards just to shave a few tenths off their times. Like just about any life endeavor—prepping for an exam or marketing presentation—the real work happens before the “event”—when no one is watching. The losses, wins and awards ceremonies are merely the last steps on a long journey. That’s when most people tune in and join the celebration.

Our most meaningful celebrations, though, aren’t about school records or trophies, much as we love them. It’s the magic of community-based sports, the only occasion in which teams are truly organic, where athletes play largely with their childhood friends, where lifetime bonds are made between players, coaches, parents and classmates. Look around the room, and you will see that the student-athletes from 44107 have a great community behind them. Hardly anyone outside of our community is “looking” in, but of course that just means you are all the more a vital part of the journey.

Long Live Lakewood.
